Everything in Small Cranes and Vacuum Lifters

Electric Manhole Cover Lifter

The electric manhole cover vacuum lifter enables effortless removal of even seized or stuck manhole covers, completely without physical strain. An efficient vacuum system ensures a secure grip, allowing the cover to be lifted safely and carefully without risk of damage to either the cover or the operator.

Specifications	
Item No.	5015
Number of suction cups	1
Suction cup size Ø (mm)	410
Rubber gasket thickness (mm)	20
Lifting capacity per suction cup (kg)	200
Total weight (kg)	13,5

- ✓ Operating time up to 2 hours
- ✓ Stable and safe lifting
- ✓ Simple and efficient operation
- ✓ CE approved
