Everything in Small Cranes and Vacuum Lifters

Mechanical Manhole Cover Lifter

Designed for mounting on a vacuum truck, allowing heavy manhole covers to be lifted without physical strain. It is quickly mounted via a standard coupling and attached to the vacuum hose. The vacuum from the truck creates suction, lifting the cover safely and efficiently. The lifter is available with multiple types of couplings.

Specifications	
Item No.	5020
Suction cup size Ø (mm)	400
Lifting capacity (kg)	200
Total weight (kg)	7

- ✓ Avoid heavy manual lifting
- ✓ Multiple couplings available
- ✓ Simple and efficient operation
- ✓ CE approved
