Transport Trolley for Knap On Crane

The trolley is ideal for work areas with limited access, such as scaffolding and upper floor decks. It can be lifted with pallet forks and transported directly to the work location. Combine it with your Knap On Crane from the service vehicle for a flexible solution that can be used directly on site.

Specifications	
Item No.	4919
Width (mm)	700
Lenght (mm)	1500
