

SPECIALISTS IN LIFTING AND HANDLING EQUIPMENT

Everything in Small Cranes and Vacuum Lifters

Workshop Crane

The crane is built on our Knap On system, which makes it easy to lift the crane and mount it in another base plate without the use of tools. This allows you to use the same crane in the workshop and easily move it to other work areas where a base plate is installed.

Specifications	
Item No.	4921
Lifting capacity (kg)	400
Total weight (kg)	30

- ✓ Foldable design
- ✓ Adjustable extension
- ✓ Compatible with all our cranes
- ✓ CE approved
